Document number D-RG-0190

This manual assumes that you are familiar with basic Synclavier and/or Direct-to-Disk operation. If you are unfamiliar with booting the system, using the trackball, or moving around the terminal displays, please see the *Introduction* manual which includes a Quick Tour of the system as well as basic operating instructions.

If the information you want is not in this manual, use the master index, found at the end of this manual, to locate the proper manual.

Contents
